Lynn Wagner, Summer Rec Director
(802) 793-6452

or

lwagner@jerichovt.gov

The Counselor-in-training program is offered to those individuals who have **completed 8th grade** and will become a freshman in high school in the fall.

This opportunity is specified for this age group only.

The CIT program offers individuals the opportunity to work at a summer camp with continuous mentoring from the counselors and directors. This program allows for individuals to show the community their abilities to work in a steady job and to guide campers through their summer camp experience such as running modes, working one on one with campers and preparing for daily activities.

This allows for individuals to compile experience for a college resume or job application.

Stipend

The CIT applicant will fill out an application as well as determine their working hours for the six weeks of this program and then commit to those days and hours. A stipend will be awarded based on the number of days worked. Below is a stipend layout:

Number of days volunteered & Stipend amount:

1 - 4 days	\$20.00
5 - 9 days	\$40.00
10 - 14 days	\$50.00
15 - 19 days	\$60.00
20 - 24 days	\$70.00
25+ days	\$125.00

** Please note that a day is defines as 6 hours or more*

A CIT application can be found at www.jerichovt.gov or at the Jericho Town Office.

CIT's will be required to attend an orientation which will be held on the Friday before camp begins (June 23rd, 2017 from 8 a.m. to 9 a.m.) **This CIT orientation is mandatory. Please do not apply if you are unable to attend.**

At orientation CIT's will review their proposed schedule, learn camp expectations, review policies and procedures and determine which camp (younger or older) they will work throughout the summer. Lynn will notify the CIT's regarding the location of the camps when they are determined.

If you have further questions about the CIT program, please call the Director, Lynn Wagner at (802) 793-6452 or lwagner@jerichovt.gov
